

Think Quality Contest

Lex-Q Certifications Invites you to participate in Lex-Q Quality and Cyber Security Conference and win attractive prizes.

Last date for registration and article/case study submission: 5th July 2018

Process Management is a key enabler of an organization. Recognizing the importance of “Quality – Information Security – IT Service Management”, the purpose of this contest is to recognize the budding talent and promote awareness on process management and to emphasize learning and sharing of knowledge from industry peers.

Contest Themes

ISO 9001:2015 | ISO 27001:2013 | Six Sigma/Lean Sigma | CMMI-DEV/SVC V.1.3 | Cyber Security | Agile Scrum/Scaled Agile

How to Qualify?

Article /case study should be original work | Length of an article or case study explanation limited to 750 to 2000 words | Every contestant will be awarded with a participation certificate | Top three contestants in each domain would have to present the work in 10 min presentation followed by Q&A | The best two contestants will be awarded by Lex Nimble Solutions.

Event Scheduled on 7th July, 2018
